You will be picked up from your hotel and be taken to the harbour of Ibiza. Here the guide will take you, to a purpose built boat and the cruise along the south coast of Ibiza until you reach the start of the saltflats.

In the morning coffee with "Ensaimadas" (cake) will be served on the boat.

After this short break we'll sail towards the famous beach of Illetas, one of the most beautiful beaches of the Mediterranean.

While the crew is preparing a tasty "**Paella**" the guests can enjoy the sun and crystal clear waters.

Lunch is served with; bread, sangria and fruit of the season.

**** Beer and non alcoholic drinks included during the excursion ****

In this happy atmosphere we'll start our way back, but not before you will have your last opportunity to dive from the boat into the lovely sea.

Either one of the boats above (photo) will take the trip.

When we reach the harbour of Ibiza again the coaches will be waiting to take you back to your hotels..
