Ibiza, also known as the “White Island”, is full of beautiful and pleasant surprises. This is your opportunity to discover all the charms that have made the island an international attraction. On a comprehensive bus trip your guide will explain the history, culture and landscapes. You’ll stop at lunch time at a picturesque place on the island.

On Saturdays, we’ll visit the typical hippy market of “Las Dalias” in San Carlos and on Wednesdays the original hippy market of “Punta Arabi” in Es Cana.

NOTE: RESTAURANT “LA HUERTA”, IN THE MIDDLE OF THE ISLAND, WITH SWIMMINGPOOL, GAMES FOR CHILDREN AND SMALL ZOO.
